

Values You Can Depend On...

Valucentric, a growing Appraisal Firm currently providing Valuation Services in nearly 20 states, seeks experienced and high caliber appraisers in your market area due to the overwhelming demand from our Extensive Client Base.

Our business model only allows for W-2 Appraisers providing long-term and stable relationships in a traditional, Appraisal Firm environment. We do also offer flexible, part-time positions, in addition to our full time staff model.

Valucentric understands the complexities of our ever changing marketplace and the tremendous extra burden bestowed upon our profession as a whole. The sole practitioner must deal with the challenge of wearing many hats, fee compression, turn time expectations, and communication overload. All of this is bundled with expectations of report standards and Scope of Work far beyond a decade ago.

Valucentric understands, and our clients agree, the best relationships start with open communication and continue due to the accomplishments of the TEAM.

The Valucentric TEAM assists you every day with client development, client retention and profile maintenance, full back-office support providing single stop communication relayed to all relevant parties, expert assistance in complex assignments, Bi-Weekly Direct Deposit, E&O, Data Access & Forms, Remote Positions and more!!!

Together Everyone Accomplishes More!
