Commercial Appraisal Trainee Milwaukee, WI

Chudnow Druck Valuation is looking for a Commercial Appraiser Trainee. The applicant does not necessarily need any appraisal education/experience, but the ultimate goal should be to become a certified appraiser. The trainee will receive hands on experience with direct supervision of an MAI appraiser while working towards their career goals.

Key Responsibilities:

- Assist in analyzing real estate market trends and learn how to collect, analyze and report findings
- Investigate data required in appraisals; including but not limited to tax and assessment data, market statistics, comparable data, etc.
- Assist in completing/typing appraisal reports
- Accompany supervising appraiser on site inspections; eventually do site inspections independently

Requirements:

- Bachelor's degree is required. A degree in Real Estate, Business, Finance, or Economics is preferred but not required.
- Excellent analytical, research, and writing skills
- Must be working towards a Certified General Appraisal License
- Strong working knowledge in Microsoft Office-especially in Word and Excel
- Ability to travel independently to property inspections
- Work well in a team/office environment
- Excellent time management skills

Job Type:

Full and Part-Time Opportunities Available
