

WCAI Job Posting

Company: General Services Administration

Location: Multiple Locations

Position: Review Appraiser

Job Description:

The General Services Administration is one of the most desired workplaces in the government.

GSA provides workplaces by constructing, managing, and preserving government buildings and by leasing and managing commercial real estate. GSA's acquisition solutions offer private sector professional services, equipment, supplies, and IT to government organizations and the military. GSA also promotes management best practices and efficient government operations through the development of governmentwide policies.

We are seeking to fill a Review Appraiser position within our agency. As a Review Appraiser, you will be involved in a variety of appraisal projects involving real property and/or related personal property.

Compensation: 77488.00 to 111720.00 (dependent upon location)

Benefits:

You will have access to many benefits including:

- Health insurance (choose from a wide range of plans)
- Life insurance coverage with several options
- Sick leave and vacation time, including 10 paid holidays per year
- Thrift Savings Plan (similar to a 401(k) plan)
- Flexible work schedules
- Transit and child care subsidies
- Flexible spending accounts
- Long-term care insurance
- Training and development

Required Skills:**Required Education:****Experience:**

Experience reviewing and appraising real property and/or related personal property (such as complex industrial, agricultural, commercial, special purpose, office, and other real property). This experience must include:

- Reviewing and evaluating appraisal reports to ensure property values are evaluated accurately;
- Counseling and negotiating with appraisers on problems and providing advice and guidance on policies, procedures and standards;
- Estimating property values, preparing reports and determinations of findings and completing all required documentation to support value estimate;
- Researching, evaluating and providing recommendations to resolve complicated valuation.
- Performing appraisals and evaluation services and reviewing reports to determine the impact of the value recommendations on agency policies, mission, and objectives.
