

Masters-Hall Appraisal is seeking one qualified certified general commercial real estate appraiser!

We are a small operation with big office benefits. We pride ourselves on providing market leading commercial real estate appraisal reports and have never missed a single delivery date! Word got out and now that we are so busy, we need another set of hands, or two, in our office.

If you are tired of having just a job and not a lifestyle or career, tired of your life revolving around work, tired of the low pay, long hours, a lousy fee split or low salary, low bid jobs, lack of flexible work hours, outdated equipment, limited sick time, limited vacation time, limited direction and market exposure as well as working that dreaded "8 to 5", especially on sunny Friday afternoons, just because that the way it is, then apply with us! If you have been promised a raise, promised a better fee split or commission or promised a share in the company profits, wait no more for those empty promises!

We work as much as we play! Our work revolves around our lives! We offer a career and a lifestyle that would make employees at Google, Facebook, Apple and Epic blush with envy! We share the profits and we share the responsibility. We are not an "old school" office in which only the owner benefits, we share in the rewards and efforts.

If you want the benefits of being the boss without the stress of owning the business, then apply with us! If you want pay that truly rewards you for your efforts, if you want to come and go as you please, if you want to make \$30,000 a year or if you want to make \$200,000 a year, if you want to take a week off from work to sail in the Virgin Islands, if you want to take off Monday to watch the Price is Right, if you want to work from home, if you want to make it to your kids field trip or soccer game, if you want to leave at noon on Friday because the weather is nicer outside than it is inside, if you want to work from the beach, if you want to take a four hour lunch, if you want to golf on Tuesday, if you want to bring your dog to the office, if you want to be proud of where you work, if you want your opinion to matter, if you want to make a change.....then apply with us!

The ideal candidate would be a Wisconsin Certified General Real Estate Appraiser with at least 3 years of experience of writing commercial appraisal reports. If this is you and you want a change in your life and career, shoot an email to tyson@mastershall.com

Don't worry, we won't tell your boss that you are looking for a better opportunity!
