

WCAI Job Posting

Company: Chudnow Druck Valuation, Inc.

Location: Mequon, WI

Position: Commercial Appraiser Supervisor

Job Description: Chudnow Druck Valuation is looking for a Commercial Appraisal Department Manager. This is a full-time position and you will be working alongside and managing the other commercial appraisers.

Key Responsibilities:

This is a management position overseeing the commercial department. In addition to appraisal production, the duties are outlined below:

- Training and supervising new commercial trainees
- Managing the commercial bids/quote requests
- Responsible for assigning orders fairly
- Researching and test piloting new software in addition to training on any new technology implemented
- Reviewing appraisal reports for the commercial appraisers when needed
- Working towards Appraisal Institute designations
- Attending conferences when the company participates

Compensation:

- Salary will be based on qualifications and experience
- Base salary to be reviewed at least quarterly based on personal production, business development, etc.
- Discretionary bonuses based on personal production, department production, marketing, etc.

Benefits: The benefit package for full time staff appraisers includes paid time off, access to a partially paid health insurance plan, group disability insurance, and paid E&O insurance.

Required Skills:

- Currently hold a Wisconsin Certified General license
- Appraisal Institute Designation preferred but not required
- Bachelor's degree required or enrolled working towards a degree. A degree in Real Estate, Business, Finance, or Economics is preferred but not required.
- Excellent analytical, research, and writing skills
- Ability to travel independently to property inspections
- Work well in a team/office environment
- Excellent time management skills

Required Education:

- Bachelor's degree required or enrolled working towards a degree. A degree in Real Estate, Business, Finance, or Economics is preferred but not required.

Experience: Three to five years of experience as a commercial real estate appraiser with supervisory experience preferred.
